Fall 2021

Message from the Board

“And all at once, summer collapsed into fall.” ~Oscar Wilde

Happy Fall Lake Osborne Estates!

As we enter in to the holiday season, we want to thank all of our residents for their continued support of the Association. It is because of you we are able to be a voice for our community. Thank you for allowing us to serve you during the 2021 Service Year. We look forward to continuing to serve you in 2022.

The Future of LNA

By Mary Adam

As you may know, there are a few residents of LOE, who were or are current board members of the Civic Association, that have spent an astronomical amount of time on this matter over decades. And I wonder... what would have happened if they didn't?

We heard about the current Jet ban litigation, the Part 150 Airport Noise Compatibility Planning, the complicated relationship between all the different players of this equation around the Lantana Airport. It turns out, LOE residents... we have arrived at the *takeoff* of a new chapter. The litigation is coming to its conclusion. We must come together and support our long time leaders of this, our Civic Association and Neighboring Community allies. If we don't, there will be no restrictions in this airport, and no accountability for those responsible to ensure our safety and wellbeing. There will be no healthy balance between the airport and its neighbors - Us. And one day soon, an accident will happen because NO ONE is watching but 1 or 2 of us residents.

Now is the time, *more than ever*, to pay attention and come together as a community. Have a voice, show up at the meetings, pay your dues. Be part of the community we call home. Let's plan this next chapter together

because coming soon is a Part 150 meeting scheduled by the Department Of Airports. Let's all be there in support of LOE Civic Association.

LOECA Annual Association Meeting

Monday, November 15, 2021 at 6:30pm

In our first Newsletter this year, we regretted the 2020 COVID restrictions. We felt optimistic about COVID going away in 2021, however, the Delta Variant, caused us to miss our 3rd Quarter meeting. At our upcoming 4th quarter (Annual) meeting, we will elect the following Officers and Board Members for the 2021 service year:

- President
- 1st Vice President
- 2nd Vice President
- Secretary
- Treasurer
- Directors-At-Large

It is important for **Your Property Values** and **Your Quality of Life** to take an interest in your neighborhood. It is each of our responsibility to be a **Good Citizen**, which starts with our **Family** and our **Neighborhood**. We only have four (4) resident meetings per year. It is not a huge time commitment to help your neighborhood and to help your own property values. Just a few hours per year.

LOECA has been instrumental in the positive outcome of many issues including, but not limited to:

- Lantana Airport Mitigation
- Traffic Calming including Speed Bumps;
- Removing Homeless from John Prince Park;
- NEXTDOOR Social Media;
- Sidewalks on High Ridge Road;
- Replacing private water company with Lake Worth City Utilities and new infrastructure;
- Replacing Gas Company infrastructure with new lines and meters;

- Doggy Station along the lake in our neighborhood;
- Costco instead of an Amusement Park;
- Keeping our Entrance Signs Pressure Washed ; and
- Got DOT to remove Foot Bridge across I-95 to Barton School in south Lake Worth.

Help us help you. Come to our Annual Meeting and consider volunteering.

Please note, all persons attending LOECA General Meetings are required to wear face coverings in accordance with the requirement of our meeting place.

2021 Cleanup Events Recap

We would like to thank everyone who participated in this year's Great American Cleanup and Shoreline Cleanup. As always, we were able to make a positive impact on John Prince Park and our community.

The LOECA will once again host a Great American Cleanup event next year. We will post the information on our social media accounts for all to participate.
